610-604-0450 OR SARahr@DHCC.ORG**

**YOU CAN MAKE A DIFFERENCE! YES, YOU!**

<http://hlaa.convio.net/>

You can help the Hearing Loss Association of America (HLAA) and DHCC raise money by joining in this fun event, the "Walk4Hearing." This event occurs in various locations across the country. You can join DHCC United, our team and walk the 5 kilometer route through the beautiful environs of Ridley Creek State Park in Newtown Square, PA. There is also a shorter route that walkers can choose. Walkers are to meet on September 25 at Pavillon 11B at 9:00 a.m. The walk begins at 10:00 a.m. DHCC is sponsoring this event to raise funds for DHCC's vital CIP and educational programs and for the HLAA's efforts to increase awareness about hearing loss and provide support for people with hearing loss.

The DHCC goal is \$2500, half of which will go to DHCC and half to HLAA. We would like each walker to set a personal goal of \$100. Donors are not required to walk. Walkers will be receive royal blue DHCC United T-Shirts to wear during the walk and charitable receipts will be provided.

There will be a "kickoff" event on Sunday, August 8, 2010 from 10:00 am to 12:00 p.m. at the Independence Visitor Center's Liberty View Ballroom.
