DHCC, a non-profit organization, is governed by a Board of Directors, a majority of whom are Deaf or hard of hearing.

Our mission is to promote equal communication accessibility and cultural awareness to the Deaf, hard of hearing and hearing populations by providing quality communication services, advocacy and educational programs.

DHCC is successful because it is a partnership of Deaf, hard of hearing, and hearing individuals working to improve communication access.

DHCC PROGRAMS AND SERVICES

CART

Interpreter Referral Department (IRD)

DHCC provides interpreting services to facilitate communication for Deaf, hard of hearing and hearing people by using qualified, professional sign language interpreters.

24-Hour Emergency Service

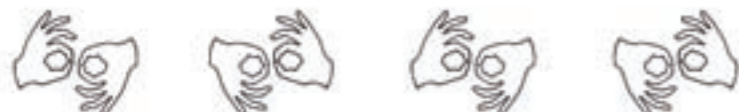

DHCC has the first and longest serving interpreting service in the Delaware Valley for medical and/or police emergencies during non-business hours.

Community Interpreting Program (CIP)

DHCC provides ASL interpreters at a discounted rate for non-ADA covered, one-time family and social events, such as weddings, baby showers and reunions. The service is for DHCC members only.

Sign Language Classes

DHCC offers American Sign Language (ASL) classes through adult education programs and at contracted locations.

Educational Services

DHCC offers sensitivity training and workshops on topics including American Sign Language, Deaf Culture, hard of hearing communication, coping strategies, interpreting skills and legal rights to communication access.

Real-Time Captioning

Real-time captioning (or CART) uses qualified captioners with specialized equipment to print a word for word version of spoken language on a laptop computer, TV monitor or overhead screen. DHCC arranges this service.

Advocacy

DHCC advocates to organizations such as government, medical providers, courts, businesses and social services for equal communication access on behalf of Deaf and hard of hearing consumers.

Information and Referral

DHCC provides information about community services and resources that can provide assistance to Deaf, hard of hearing and hearing individuals.
