

ABOUT OUR CLASSES

Due to the unique visual nature of American Sign Language (ASL), all lessons are presented without the use of voice. This effective teaching method is applied in most credit and non-credit ASL classes to enable students to develop strong receptive and expressive skills. Students at each level will be introduced to ASL vocabulary (signs) as well as proper ASL grammar and syntax. Interaction with teachers, who are native ASL users, in a relaxed setting with peers provides students with both structured and spontaneous dialogue practice. This gives students the opportunity to develop appropriate conversational strategies that are unique to American Deaf Culture.

Age Requirement: 16 years or older

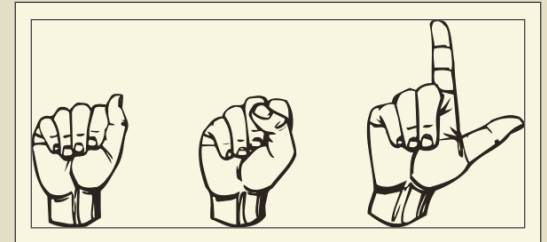

Placement Evaluation: Required for any students transferring from other programs, or if it has been more than one year since you enrolled in one of our classes. Contact Sarah Reed at sarahr@dhcc.org to set up an appointment.

Cancellation/Refund Policy: DHCC reserves the right to cancel and/or combine classes due to insufficient enrollment. No refunds will be given after the first class.
